

2014 2A Girls Basketball Provincials

QUEENS

The Senior Queens had a very successful weekend at the 2a Girls Provincial Championship in Didsbury. It was a wonderful way to end the season and the girls should be very proud of what they accomplished.

The Queens started the tournament with a tough game against the home school, the Didsbury Dragons. Nerves and jitters were very apparent during the first half of the game, but the girls pulled together in the end defeating the home team by 11 points. The girls moved on to the semi-final match against Strathcona Christian Academy, the #3 ranked team in the province. Everything seemed to come together in this match, and the girls dominated SCA 65-40, advancing them to the finals. The championship game came down to the top 2 teams in the province, our very own PBHS Queens against the Rundle College Cobras. This was a very tough match as both teams played their hearts out, but unfortunately the Queens lost a heartbreaking match 65-59. But as devastating as it was, the girls need to remember to keep their heads held high. They have nothing to be ashamed of. The girls played with everything they had and left it all out on the court, and that's all a coach can ask for.

Thank you to Kat, Emily, Rachel, Jill, Laney, Shaylin, Brooklyn, Amanda, Cassidy and Karly for an amazing weekend and season, and hope that you all cherish these memories and take them with you wherever you go!
