1. Trustee Report (Attached agenda)

- a. Huntsville School Tender for modernization, not a re-build. Political wording or the project would have been delayed by 5-10 years. Wanting to begin this summer (Aug. 8).
- b. Used Sports equipment Bank. A place where families might be able to procure equipment if they cannot afford it. Greg will give the business card to Jon VG.
- c. Attended a self-regulation presentation. Manna suggested that these strategies should be pushed towards the early years and society so that students are entering school with more tools.

2. Principal's report (Attached agenda)

- a. 2018/2019 timetable - looking at a 8 block vs a 5 block schedule with a 45 minute block.
Advantages include shorter block for middle years, frees up the timetable to move courses around within the week + more option choices in a block
Parents - 11:40 lunch vs a 12:20 lunch. Straw vote = no strong opinions, not a drastic change. Ask the kids!
- b. Marine Bio trip was successful. 11 students went and had a great time.
- c. Electronics/Addictions night was successful for one family in attendance. Low crowd but it was a great collaborative presentation between AHS, RCMP, and PBHS
- d. Ham Bingo and Band Concert on Wednesday night, March 21 was successful. Entrance was a donation to Trenton's Wish.
- e. Trenton's wish our goal was to raise \$1000 and we ended up raising \$5300 through donation, bottle drive, Ham Bingo.
- f. Cold Day Fire Drill. Hopefully next week. The notion is to move the students to the Elks Hall immediately due to inclement weather. We had students down to the Elks and inside in less than 5 minutes from start to taking attendance.
- g. Modernization money - We have been informed that there was money left over from the modernization in 2009. District has gone through the school room by room in order to see what is needed as well as a teacher generated list.
- h. PAC question - Is the parent council prepared to back PBHS with the graduation ceremony policy where if fees have not been paid, students are not able to take part in the grad exercises? PBHS is looking for a letter from the PAC that essentially says that the PAC support this decision. This is no longer a concern but we may have to implement it at some point.

3. Society Report - Sandra

Starting to gear up for the upcoming golf tournament. Tickets are printed and need to be Picked up. There is a large sum of money in the account but has been earmarked for Betterment opportunities in the school.
