

GRADUATION

Date: May 29, 2021

Location: PBHS Gymnasium

We are working within the guidelines and current COVID restrictions set out by Alberta Health Services (AHS) for our 2021 Graduation Ceremony.

If all AHS restriction ease, and all steps are met 3 weeks apart, we should know by March 22 about indoor social gatherings.

Until then, this is what we know. There are really 3 scenarios that graduation will be for 2021:

Option A - Traditional Grad

No AHS restrictions on indoor gatherings
Convocation in the morning
Guest only banquet in the evening
Program to follow

Option B - No Banquet

Limited indoor seating/grad due to AHS restrictions
Convocation in the morning
Program in the afternoon
Live streamed event for family/friends who cannot be in the school

Option C - Indoor vs Outdoor

Grads and staff only in the gym OR outdoors with parents/car.
Convocation in the morning
Program in the afternoon
Live stream for all family/friends that wish to watch.
We will be asking each grad family if they would prefer parental involvement in an outdoor ceremony or student only in the gym with parents using the livestream.

These options can change without warning due to changes set forth by Alberta Health Services*
