RE: Graduation 2022 – Details and Planning

Cap & Gown Photos:

These are scheduled for *January 4 & 5, 2022*. The Lifetouch photographer will be meeting with the grads on December 11th, during a lunch meeting to go all the details for their photo shoot, and to book their time slot online. Each grad is required to get at least to have a head shot (even if not purchasing a package) taken for the grad composite photo, and year book. **So, all grads need to pick an appointment time.**

Banquet:

LA Chefs has been booked as the caterer for this year's graduation banquet. All grads will have a vote on the meal selection, which will occur in March. If you have any special circumstances for the meal (e.g. vegetarian) please let Mrs. Secrist know and we will do our best to accommodate.

Fundraising:

All graduates will be participating in the poinsettia fundraiser (early December delivery date). All grads are expected to sell a minimum of \$100.00. If families choose not to participate in the poinsettia fundraiser, they will be charged a flat rate of \$100.00 to make it fair for all graduates. Also, a Grad Fee per graduate will be implemented to cover the necessary costs to host graduation. This year the grad fee will be \$200/grad. This fee will need to be paid in full by March 31, 2022. The grad can also invite 3 guests to the banquet, which will be charged a price/plate. This will also need to be paid in full by May 10, 2022 in order for your child and their guests to receive their banquet tickets.

Student Committee

Grad students that make up the committee are Amber Helle, Hailey Spanke, Gabe Chavez and Austin Hengerer.

Staff Committee:

We are here to also sit in the monthly meetings, and help guide ideas and answer questions. We will also make sure that the following are booked and confirmed:

Cap & Gown Photos and Rentals, photographer, catering, security, clean up, curtain rental, and gifts are purchased. Staff members are Mrs. Williams, Mrs. Secrist, Mrs. Johnson and Mr. Lowe

To clarify some questions that may arise:

1. All funds that have been raised through the school are used for Graduation Day purposes only. No funds are used for outside activities/parties or Safe-Grad activities. Safe-Grad is a parent-organized event and has absolutely no connection to the school or school division in any manner.
2. All major decisions concerning Graduation are decided in a democratic voting process with all grads who attend the noon hour meetings having the opportunity to vote. The Grad Council consists of a selection of Students and Staff who represent the wishes of the whole of the graduating class. All students are encouraged to contribute their ideas and wishes in relation to Graduation Day.

JUST A NOTE:

Graduation is an exciting time for all Grade 12 students. We are well into the preparation mode. Graduation is a time of celebration of success. We congratulate our students and your young men and women as they celebrate the joy of completing twelve years of education with all of their successes, challenges, and accomplishments and as they look toward their future.
