

ACADEMIC AWARDS HANDBOOK

(Please note: this document is subject to change at any time, depending on sponsorships and criteria)

Updated Spring 2022

Awards Criteria

All awards have varying monetary values based on sponsors. Each award consists of a certificate and a monetary value. Unless stated otherwise, the school awarded mark is used for diploma courses.

Marks obtained through ADLC, PBB, Alternate Schools, Special Projects, Work Experience, Green Certificate and RAP courses cannot be considered for local awards at PBHS although participation in some of these courses is considered.

In the event of a tie for an award other factors will be considered:

General classroom contribution

Attendance

Cooperation and interaction with others in the classroom

All grade 12 students are eligible for academic awards providing that they have a minimum grade of 65% in specific classes. Students are eligible to receive awards that are based on criteria other than academics (e.g. volunteer work, attitude, community involvement etc.) without a minimum mark. Students must attach a copy of an acceptance letter to a post-secondary institution in order to be considered for awards with criteria indicating a post-secondary education.

Special awards are based on set criteria and students are selected by the Staff, the Awards Committee, and in some instances, in conjunction with the sponsor.

Specific criteria for awards are listed at the end of this document.

Grade 12 Academic Awards:

The recipients will be the graduating Grade 12 students who obtain the highest averages in any Grade 12 courses. Averages and eligibility are outlined in the 'Academic Awards Criteria' at the end of this document. The number of awards each year are based on sponsorships available providing students have a minimum average of 65%.

Valedictorian Policy

The Valedictorian is chosen from among the highest achieving academic students in Grade Twelve. To be eligible, the nominees must have completed or be in the process of completing the courses that will qualify them for a High School Diploma. The final blended marks in courses from the Fall semester, and marks from the end of April in the Spring semester will be used to calculate the academic averages. Only courses taken at Picture Butte High School can be used and the student must complete at least their Grade 11 and Grade 12 years at PBHS to be eligible for this position. The Valedictorian will be the student with the HIGHEST AVERAGE outlined in the 'Academic Awards Criteria' at the end of this document.

Governor General Award — Selected by the Awards Committee

Bronze Medal and Certificate issued by the Government of Canada.

A BRONZE medal is awarded to the student who achieves the highest average in all grade 12 courses (inc Diploma Exams) upon graduation from a secondary school. Equitability of access for the entire student population is an important aspect of the Medal's value. Regardless of the stream or the subjects chosen, all students are eligible for consideration upon graduation.

 - marks will be averaged.

Only teacher awarded marks will be used. Blended marks (teacher awarded + Provincial Exam) will **not** be used.

When more than one student is tied for an award and only one award is available to be presented the money will be split equally and all tied individuals will be given an award.

Grade 12 Academic Awards

These awards recognize the top students enrolled in the current grade 12 class.

- The sponsors' criteria will be used to assign awards to students.
- When no sponsor criteria are given, awards will be assigned to students at the discretion of the awards committee.
- The awards committee will be guided by the principle of equitable distribution while maintaining a focus on high academic achievement when distributing these awards.
- These awards will be distributed as follows:
- In a case where **15 or more** students have averages higher than 80%:
 - the five students with the highest averages will receive 3 awards.
 - the five students with the next highest averages will receive 2 awards.
 - the five students with the next highest averages will receive 1 award.
 - Any additional students with averages higher than 80% will receive 1 award.
- In a case where there are **less than 15** students with averages higher than 80%:
 - At the discretion of the awards committee, the "cut-off" point for awards may be lowered.
 - The awards will be divided in the same spirit as above.
- In a case where a single student has received a large number of awards and the committee feels that the second place student is equally deserving of recognition, the committee will use their discretion to distribute the awards in an equitable manner.

These awards will be calculated using the same criteria as the grade 12 honour awards:

- One of: English 30-1, 30-2, 30-4 and
- At least two of the following:
 - Mathematics 30-1, Mathematics 30-2, Mathematics 31, Science 30, Biology 30, Chemistry 30, Physics 30, Social Studies 30-1, Social Studies 30-2, Any **one** language at the Grade 12 level (3000 series).

Two courses with a minimum five credit value at the Grade 12 level (3000 or 6000 series) including those listed above and combined advanced C.T.S. courses. (See notes in honour awards criteria)

Special Awards

- The sponsors' criteria will be used to assign awards to students.
- Where the sponsor criteria are not clear or specific enough to select a single recipient, the staff will be surveyed for worthy nominees. Class lists and award criteria will be distributed to the staff one week prior to the voting date.
- In the case of students applying for awards, students must have their applications submitted to the awards committee by the 1st of June. If a suitable pool of candidates has not applied, the awards committee may extend the deadline by 1 week.

Highest Average (Junior High)

These awards will recognize the students with the highest average based on the honour award calculations.

- In each grade, the top student will be recognized.

Highest Average (Senior High)

These awards will recognize the students with the highest average based on the honour award calculations.

- In each grade, the top student will be recognized in both the academic and general streams.
 - A **general** student is defined as a student that is taking one or more core classes (English, Math, or Social Studies) at the -2/-4.
 - An **academic** student is defined as a student that is **not** taking any of the core classes (Biology, Chemistry, English, Math, Physics, or Social Studies) at the -2/-4.

Honour Roll

The honour roll maintained at each reporting period is separate from the year end honour awards. The honour roll will be calculated using a weighted average (for senior high, a minimum of ten credits are required, and must include one core course). As well, any student receiving 80% or above in any course will be recognized alongside the honour roll using an achievement list.
