

School Goals

Palliser Regional Schools

2016/2017

School Goals: Improve community connections and relations

Strategies	Action Steps
1. Improve communication between school and family	Use of Remind weekly, daily update of website, synervice absences, positive phone calls home, increasing number of community events at the school, SOM nomination letters home, expand nomination process to include community
2. Mental Health and Wellness Initiatives	
Improve Community health services supports for students and families in the community	Liaise with Town, County, and Alberta Health services to improve community supports
3. Emphasize Positive Choices and Planning at the School	
empower existing student leaders to give opportunity to possible student leaders.	Increasing opportunities of Student Leadership
4. Academic Improvement	
Continue with implementation of academic planning meetings and tracking document; expand to grade 9	Improve Diploma Participation rates; parent feedback; Transition rates, post secondary attendance
Expand usage of Academic wraparound for student nearing a new level of success (ie Excellence Level)	Identify and complete Academic wraparounds on students close to Standard of Excellence level to identify strategies for instruction
Identify and engage in practices challenging students to reach the standard of excellence	Checking/Challenging understanding, common LA time
see literacy goals	Literacy plans
